STEP AP242 Day: Center of Applied Aeronautical Research – Hamburg

- Objectives
 - Strengthen the application of STEP AP242 in the community
 - Clearly demonstrate the benefits of STEP AP242 as the multidisciplinary 3D backbone for the digital enterprise
- Approach
 - Industrial application by the users
Keynote and talks on needs and state of the art.
 - Implementations by the vendors
Live-Demo; scenarios of STEP AP242 in context (e.g. Kinematics, AP242 BOM XML with JT); exhibitions and what comes “tomorrow”?
 - Live interaction with the participants

STEP AP242 Day: Program (TBC)

9:00	Coffee – Exhibition	14:00	Kinematics Simulation with STEP AP242 XML + JT Dr. S. Handschuh (Daimler)
10:00	Welcome & Opening Alain Pfouga (prostep ivip)	14:25	Long Term Archiving with STEP Rick Zurray (Boeing)
10:10	Keynote: The Role of AP242 in Aerospace Industry tba (Airbus)	14:50	Status and Outlook of Semantic PMI for 3D MBD in AP242 tba (Safran)
10:40	Results of AP242 Benchmark Jean Brange (AFNet)	15:15	Scope & Status of AP242 ed.2 DIS Jean Brange (AFNet)
11:00	Vendor talks/10min each Autodesk, CT CoreTechnologie, Dassault, DataKit, Elysium, T-Systems, Siemens PLM, PTC, TechSoft 3D (tbc)	15:40	Wrap-up & Closing tba (Airbus)
12:30	Lunch – Exhibition	16:00	Coffee – Exhibition – Come Together
		17:00	Conference End

A graphic showing several hands holding up large, red, three-dimensional block letters that spell out the phrase "WE WANT YOU". The hands are positioned at the base of each letter, giving the impression that they are collectively holding the message up. The background is plain white.

**We either standardize – or we will be
standardized**

Thank you!
